

8360 goes to Africa

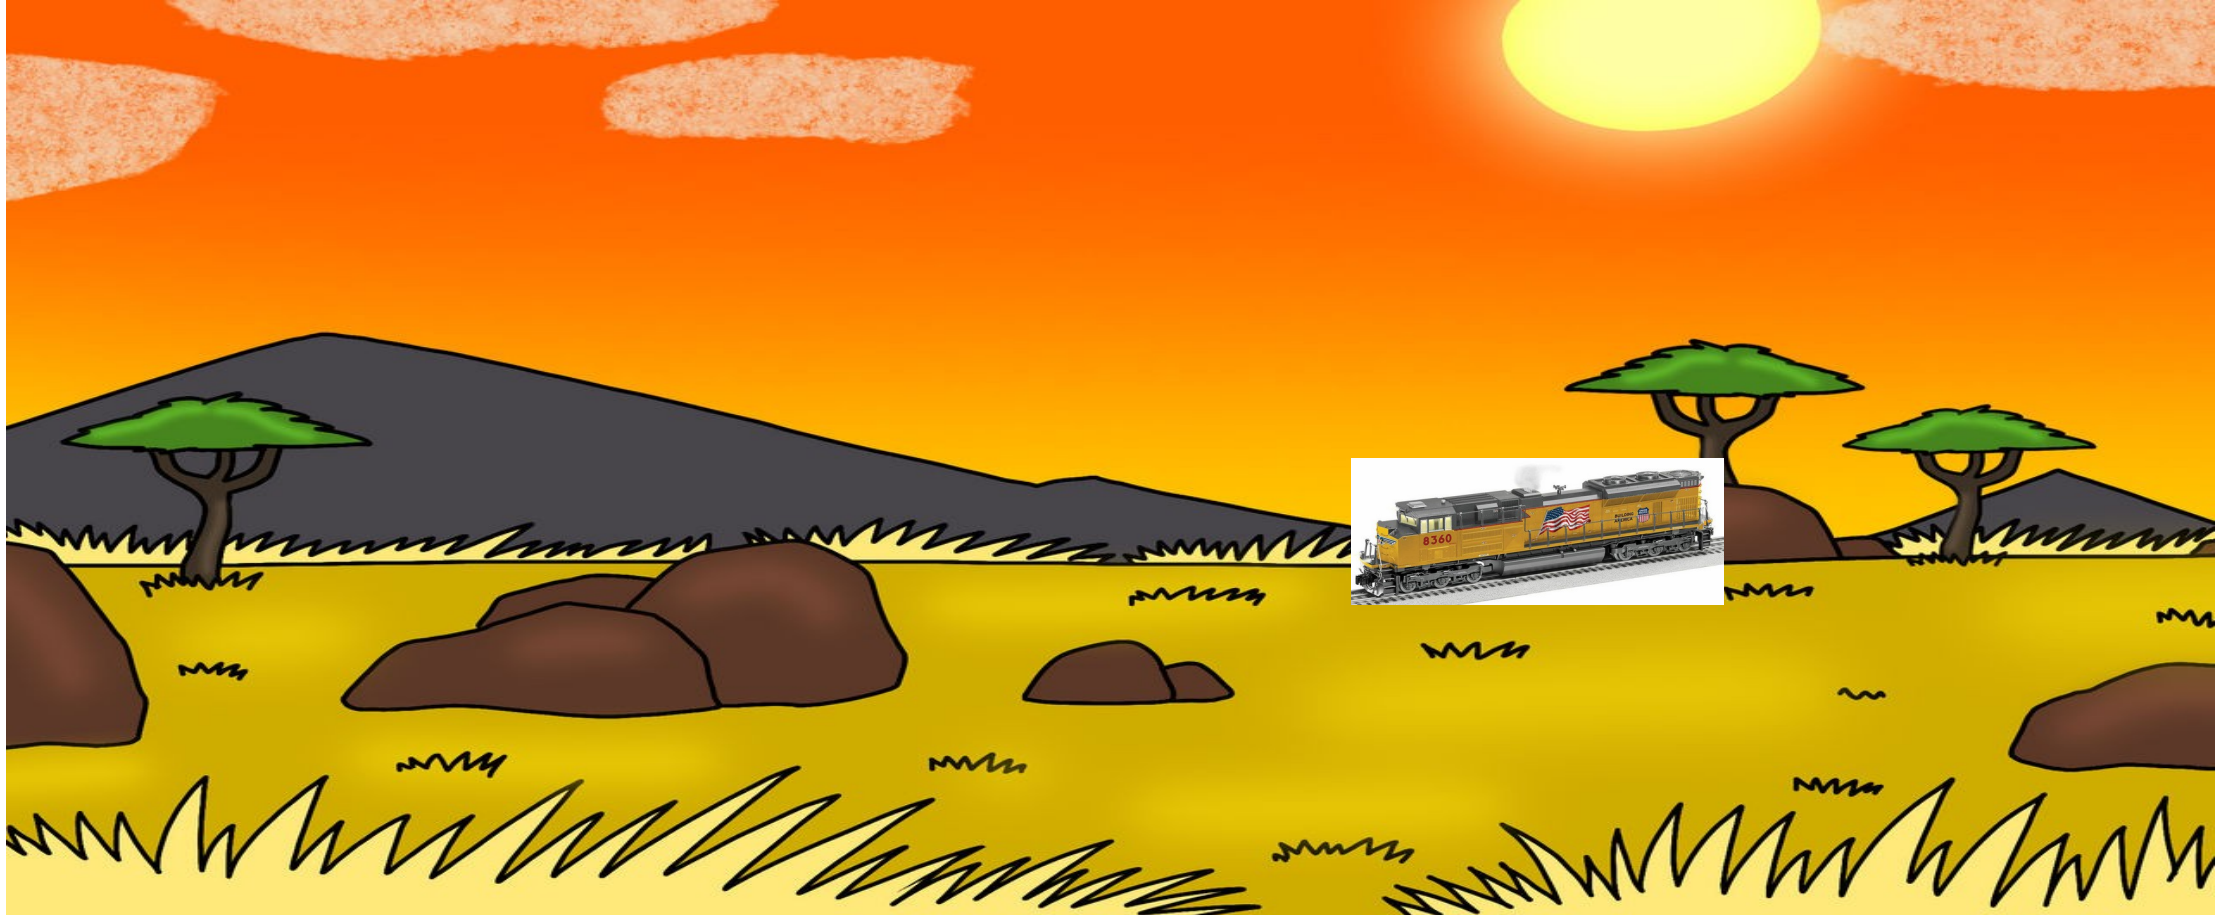

One day 8360 was on the African Savannah and they saw giraffes and elephants.

Then 8360 saw birds.

Then the sun was setting on the savannah and 8360 felt tired.

Then the sun continued to set and started 8360 started to head home.

Then 8360 arrived in radiator springs.

Then it was night at radiator springs
but the neon was not turned on.

Then 8360 went back to the sheds.
